Program of the Dutch Endocrine Meeting 2027

Thursday 4th February 2027

09.00 - 9.45	**REGISTRATION AND COFFEE**		
	Room: Brabant		
9.45 - 10.00	**Welcome and introduction** *Dr. Layal Chaker on behalf of the Netherlands Society for Endocrinology* *Meeting chairs: Dr. Eric Kalkhoven, UMC Utrecht & Dr. Dirk Jan Stenvers, Amsterdam UMC*		
10.00 - 10.30	**Opening lecture: The Year in Endocrinology** *Prof. Hanneke van Santen, UMC Utrecht & Prinses Maxima Centrum voor Kinderoncologie* *Chairs: Dr. Eric Kalkhoven, UMC Utrecht & Dr. Dirk Jan Stenvers, Amsterdam UMC*		
	Room: 80	Room: Brabant	Room: 82
10.35 - 11.35	**Clinical network: Inherited metabolic disorders** *Chairs:* **10.35 - 11.05** **Acute decompensation of inborn errors of metabolism** *Prof. Martijn Brouwers, Professor of Endocrinology and Metabolic Diseases, internist-endocrinologist specializing in metabolic disorders, Maastricht UMC+* **11.05 - 11.35** **Sense and sensibility: the value of genetic diagnostics in clinical practice**	**Basic research: Adipose tissue** *Chairs:* **10.35 - 11.05** **Epigenetic memory of adipose tissue** *Prof. Ferdinand von Meyenn, Associate Professor at the Department of Health Sciences and Technology, ETH Zürich, Switzerland* **11.05 - 11.35** **Putting the brakes on adipogenesis: stromal control of adipose tissue plasticity** *Prof. Bart Deplancke, Head of the Laboratory of Systems Biology and Genetics, École Polytechnique Fédérale de Lausanne, Switzerland*	**Verpleegkundig programma (nurse track, in Dutch)** *Chairs:* **10.35 - 11.05** **Belang van goed ingestelde schildklierfunctie en voorkomen hart- en vaatziekten** *Dr. Layal Chaker, internist-endocrinoloog, Erasmus MC* **11.05 - 11.35** **Jongvolwassenen en kanker** Ervaringsdeskundige *Dorien Brouwer-Goossensen*

	Prof. Mirjam Langeveld, internist-endocrinologist Amsterdam UMC		
11.35 - 12.00	**COFFEE BREAK**		
	Room: Brabant	Room: 80	Room: 82
12.00 - 13.00	**Clinical/translational: Neuroendocrinology** *Chairs:* **12.00 - 12.30** **Cyclic Cushing's syndrome** *Dr. Elisabeth Nowak, clinician-scientist and endocrinologist, LMU University Hospital, Munich, Germany* **12.30 - 13.00** **Microglial immunometabolism across metabolic and neurodevelopmental disorders** *Dr. Chun-Xia Yi, associate professor, research group leader, Amsterdam UMC*	**Basic research: Steroid signaling** *Chairs:* **12.00 - 12.30** **An unexpected role of steroid receptors in the male germ line** *Prof. Katharina Gapp, Head of the Epigenetics and Neuroendocrinology Group at the Institute for Neuroscience, Department of Health Science and Technology at ETH Zürich, Switzerland* **12.30 - 13.00** **Exploring the biological consequences of gender-affirming hormone therapy initiated during puberty using mouse models** *Associate Prof. Vanessa Dubois, Head of the Basic and Translational Endocrinology (BaTE) lab, Ghent University, Belgium*	**Verpleegkundig programma (nurse track, in Dutch)** *Chairs:* **12.00 - 12.30** **Gezonde voeding in de hoofdrol** *Dr. Maarten Soeters, internist-endocrinoloog, Amsterdam UMC* **12.30 - 13.00** **Mini workshop 'etiketten lezen'?** *Dr. Maarten Soeters, internist-endocrinoloog, Amsterdam UMC*
13.00 - 14.15	**LUNCH**		
	Room: Brabant		
14.15 - 14.45	**Laqueur lecture** *Chair:* *Keynote*		
	Room: Brabant	Room: 80	Room: 82
14.50 - 15.50	**Clinical: Diabetes** *Chairs:*	**Basic /translational research:** *Chairs:*	**Verpleegkundig programma (nurse track, in Dutch)** *Chairs:*

	14.50 - 15.20 **The Cardiovascular and Kidney Complications of Diabetes: Where Do We Stand in 2027?** *Prof. Daniël van Raalte, internist-endocrinologist, Amsterdam UMC* **15.20 - 15.50** **Pancreatic islets in type 2 diabetes: cause AND complication?** *Prof. Eelco de Koning, internist-endocrinologist, LUMC*	**14.50 - 15.20** **New and Emerging Causes of Pituitary Gigantism** *Prof. Adrian F. Daly MD, PhD, FRCPI, Department of Endocrinology, Centre Hospitalier Universitaire de Liège, University of Liège, Belgium* **15.20 - 15.50** **TBD** *Prof. Frederic Castinetti, endocrinologist, Aix Marseille University, France*	**14.50 - 15.20** **Huisarts en patiënt aan zet en de metabole pandemie** *Dr. Marc Huls, huisarts en arts-onderzoeker, mede-auteur NHG standaard obesitas 2025 & MDR obesitas* **15.20 - 15.50** **Zorg aan jongvolwassenen alcohol, drugs en zorgverlening** *Chantal Dee, diabetesverpleegkundige, LUMC*
15.50 - 16.15	**COFFEE BREAK**		
	Room: Brabant		Room: 82
16.15 - 16.30	*Chair:* **TBD**		**Verpleegkundig programma (nurse track, in Dutch)** **16.20 - 17.00** **AI en wetgeving** Slimme machines, strikte regelgeving: AI en wetgeving in de zorg **TBD** **17.00 - 17.30** **Hormonale veranderingen tijdens de zwangerschap** *Dr. Koen Verdonk, obstetrisch internist, Erasmus MC* **17.30 - 18.00** **Functietesten in de Kinderendocrinologie** *Dr. Christiaan Mooij, kinderarts-endocrinoloog, Amsterdam UMC*
16.30 - 17.00	*Chair:* **Keynote lecture** *Prof. Johan Auwerx, Laboratory of Integrative Systems Physiology, Switzerland*		
17.00 - 17.15	**NVE Awards: Best clinical and basic/translational publications in the field of endocrinology in 2026** **and** **NVE best thesis prize** *Chair: Dr. Layal Chaker, Erasmus MC*		
17.15 - 18.00	**NVE Award for Endocrinology** *Chair:*		
18.00 - 19.30	**Drinks & Bites and guided poster presentations**		

19.30 - 21.30	**Dinner**
21.30 - 00.00	**Party**

Program of the Dutch Endocrine Meeting 2027

Friday 5th February 2027

07.45 - 08.00	**REGISTRATION AND COFFEE for participants Annual general Meeting of the Dutch Society of Endocrinology (in Dutch)**		
	Room: 81		
08.00 - 09.00	**Annual general Meeting of the Dutch Society of Endocrinology (Only for members, in Dutch)**		
08.30 - 09.00	**REGISTRATION AND COFFEE for the other participants**		
	Room: Brabant	Room: 80	Room: 81
09.00 - 10.00	**Nuclear receptors in cancer** *Chairs:* **09.00 - 09.30** **Fasting affects breast cancer progression via glucocorticoid receptor** *Prof. Wilbert Zwart, functional genomics in oncology, NKI/AvL, Amsterdam* **09.30 - 10.00** **TBA** *Prof. Robert Clarke, Manchester Breast Centre, Division of Cancer Sciences, School of Medical Sciences, Faculty of Biology, Medicine and Health, University of Manchester, Manchester, UK*	**Clinical Chemistry** *Chairs:* **09.00 - 09.30** **How can the clinical laboratory contribute to precision medicine? Insights from bone markers and new tests developed at CHU de Liège** *Prof. Etienne Cavalier, Professor of Clinical Chemistry, University of Liège, Belgium* **09.30 - 10.00** **More than Menstruation: Sex-hormones Controlling Iron metabolism** *Dr. Marte Molenaars, Postdoc at Amsterdam UMC, Endocrinology Laboratory*	**Meet the Expert Team** **Prolactinoma: diagnosis andtreatment** *Chairs:*

		researcher, Amsterdam UMC		
	Room: 80	Room: Brabant		Room: 81
10.05 - 11.05	**Basic research Fertility** *Chairs:* **10.05 - 10.35** **PMOS - a multi-system disorder** *Prof. PhD Elisabet Stener-Victorin, principal investigator of the research group Reproductive Endocrinology and Metabolism at the Department of Physiology and Pharmacology at Karolinska Institute Stockholm, Sweden* **10.35 - 11.05** **TBD**	**Pediatric Endocrinology and beyond** *Chairs:* **10.05 - 10.35** **Genetics of hypogonadotropic hypogonadism** *Prof. Nelly Pitteloud, Professor of Medicine Chief, Endocrinology, Diabetes, & Metabolism Service, Centre Hospitalier Universitaire Vaudois, Switzerland* **10.35 - 11.05** **Puberty induction in males with hypogonadotropic hypogonadism** *Dr. Sasha Howard, Clinical Reader and Honorary Consultant in Paediatric Endocrinology, Queen Mary University of London, UK*		**Clinical trials -** *Chair: Dr. Marco Medici, Erasmus MC* You can register your study for this session via academy@nve.nl. **The deadline is November 20th** **Bone:** **Diabetes:** **Pituitary:** **Thyroid:** **Other:**
11.05 - 11.25	**COFFEE BREAK**			
	Room: 80	Room: 81	Room: Brabant	Room: 82
11.25 - 12.25	**JNVE: Endocrinology of the Future (early careers only)** *Chair:* **11.25 - 11.55** *Prof. Susanne E la Fleur, neuroendocrinologist, Amsterdam UMC* **11.55 - 12.25** **TBD**	**Basic research** *Chair:* **11.25 - 11.55** **Circadian clock and energy metabolism: implications for human disease** *Prof. David Ray, endocrinologist and co-director of the Sleep and Circadian Neuroscience Institute, University of Oxford, UK*	**Clinical/Translational: Thyroid** *Chair:* **11.25 - 11.55** **Cryo-EM of thyroglobulin** *Francesca Coscia, structural biochemist and senior group leader, Structural Biology Research Centre, Milano, Italy* **11.55 - 12.25**	**Pediatric endocrinology research session**

	Prof. Thera Links, internist-endocrinologist, UMCG	**11.55 - 12.25** **The development of endocrine circadian rhythms in infancy** *Dr. Laura Kervezee, assistant professor and group leader in circadian medicine, LUMC*	**RAI in thyroid carcinoma** *Dr. Kate Newbold, clinical oncologist, Cromwell Hospital London, UK*	
12.25 - 13.30	**LUNCH**			
	Room: Brabant			
13.30 - 14.00	*Chairs:* **Keynote lecture** **Vasopressin Deficiency and Oxytocin Deficiency in the Endocrine Clinic** *Dr. Cihan Atila, MD-PhD, Clinical Scientist and Junior Research Group Leader, University Hospital Basel, Switzerland*			
14.05 - 15.05	**Oral abstract sessions** Per presentation: 7 minutes & 2 minutes for questions			
	Room: Brabant	Room: 80	Room: 81	Room: 82
	Session I *Chairs:*	**Session II** *Chairs:*	**Session III** *Chairs:*	**Session IV** *Chairs:*
	Room: Brabant		Room: 80	
15.10 - 16.00	**Abstract sessions - *Oral highlights*** *Per Oral presentation: 7 minutes & 2 minutes for questions* **Top selected - clinical science** *Chairs:*		**Abstract sessions - *Oral highlights*** *Per Oral presentation: 7 minutes & 2 minutes for questions* **Top selected - basic/translational science** *Chairs:*	

	Room: Brabant
16.00 - 16.15	**AWARD ceremony - NVE Prizes - best clinical, translational and basic abstract**
16.15 - 16.30	**Meeting adjourns** *Chairs: Dr. Eric Kalkhoven, UMC Utrecht & Dr. Dirk Jan Stenvers, Amsterdam UMC*
	Rooms: 80, 81, 82
16.30 - 17.15	**Room for NVE committees/ Patient Network meetings/ Annual Section Meeting/ Pediatric Endocrinology**
